

Parent Message - 4.8.20

Sent from the Administration Office

Administration Office - Beginning April 13, 2020

All WCSD buildings remain closed except the Administration Office. Beginning April 13, public office hours will be 8am-noon. If you have something you are picking up (such as computers, graduation announcements, etc.) please do so by Friday, April 10th. After Friday we can not guarantee we can retrieve items. This is being done for the health and safety of our employees. We urge you to call ahead of time (515) 462-2718 to ensure what you have requested has been delivered to the Administration Office.

Any and All Items Needing to Be Picked Up MUST Be Done Through The Adm Office

All buildings are closed and the only authorized pick-up place for student items is the Administration Office. Please understand that we will not be retrieving items that are non-essential at this time.

ACT Prep Program

Please see attached information regarding ACT/SAT Prep opportunities through eknowledge.com and co-sponsored by the Iowa High School Athletic Association.

Important Information for Chromebooks for Parents and Students

Here is a guide to help you with your child's Chromebook. This also includes some tips on cleaning and keeping it disinfected. [CLICK HERE](#) . This information has also been posted to our district webpage under the COVID information.

Important Note for 9-12 Parents

THANK YOU for your continued flexibility and support towards encouraging your student(s) to engage in the 4th Quarter learning activities being shared by WHS Teachers beginning on Monday. **Please note** that we are expecting that our students will earn full credit for the 4th Quarter courses that they take with our teachers electronically. We are committed to helping students continue their progress towards earning credits for graduation from WHS.

Senior Josten's Orders

If you are missing items or have questions about your order, please contact Josten's directly.

Check out the Winterset Website and Twitter for Up to Date Information from WCSD

Thank you for your understanding and support!
