

We are excited to be hosting our first football game this Friday, August 30th, at newly renovated McGaffin Field! The stadium will be very close to completion, but there will be a few items not finished, so we are asking for your patience and grace. We are looking forward to having 500+ more bleacher seats to accommodate Husky fans!

Here are a few items as we open the stadium:

- Main parking will be in the lots north of the stadium. The lot between the school and the stadium will be closed due to construction.
- Fans will cross Husky Drive and enter the stadium at the northwest side of the stadium.
- New Seating arrangements are shown on the map
 - Marching Band at the south end
 - HS Student section next to the band
 - MS and JH students at the north end
 - Elementary students are asked to sit with their parents
- Please remain off the dirt and keep to the sidewalks as we are in the process of seeding.
- Tailgating will be allowed up to the beginning of the first event (4:45, 9th FB). All district policies must be followed.
