CODE OF GOOD CONDUCT

Students of the Winterset Community School District are encouraged to participate in co-curricular activities so that they might gain from the positive educational benefits of participation in these activities. Among the benefits of participation is the development of constructive attitudes for future citizenship including the principles of fair play and sportsmanship, respect for others, rules, authority, and for one's own health and well being, and the development of leadership, group pride, teamwork, self discipline, and the values of self-sacrifice.

Students who participate in co-curricular activities represent our school to the community and their conduct is one factor by which our school is judged. To encourage a high standard of conduct on the part of students and to ensure the reputation, integrity, and high standing of our school system, students participating in co-curricular activities must conform to certain standards. Their failure to do so directly relates to and affects the reputation, character, and efficiency of the Winterset school system. Students, who wish to have the privilege of participating in school co-curricular activities and other school-sponsored activities, must conduct themselves in accordance with the Board's student behavior policies throughout the calendar year.

The purpose of the Code of Good Conduct policy is to establish and provide for the enforcement of standards of conduct for students participating in co-curricular activities in the Winterset Community School District. "Co-curricular activities" shall mean interscholastic athletic competition, music programs, drama and speech programs, clubs and organizations and all other school programs and activities in which students may participate under the sponsorship of the District.

All prospective candidates for Winterset High School athletic teams must abide by the eligibility rules of Winterset High School, the Iowa Girls' Athletic Union, and Iowa High School Athletic Association. Refer to the Code of Good Conduct violations and sanctions detailed in the Activities Program Parent Handbook.
