**Winterset Community School Google Docs Account Permission Form
(Grades K-12) 2020-2021**

The Winterset Community School District is seeking your permission to allow your student to have a school Google account for academic use. This academic account will be a Google account within a Winterset Community School District domain address. Allowing your student access to this Google account will enhance your student's education by teaching them technology skills that future employers deem important. The Google account will include Gmail, Google docs and Google apps.

This new Google account is to be used for academic purposes only and is not to be used for personal use. The activity on the accounts will be monitored for compliance with the district computer/internet use policy.
