Dear Parents and Students,

Applying for an Iowa Minor License for athletics and activities is a major responsibility. I would like you to be aware of some very important information.

The requirements for a Minor School License are:

- In grades 9-12.
- Involved in an extracurricular or co-curricular activity.
- Completes the Athletics and Activities Application
- Transportation is not available to the activity/sport in which the student wishes to participate.
- Completed a certified driver's education program.
- Possesses a student learner's permit for at least six (6) months.
- Follows conditions set by the Iowa Department of Transportation (DOT) and the Iowa Department of Education (DOE)

Some restrictions include:

- Operate a vehicle only between the hours of 5:00 am and 10:00 pm.
- Drive the most direct and accessible route between home and school of enrollment to attend instruction or extracurricular/co-curricular activities only.
- Drive to a service station for the purpose of refueling as long as on the most direct and accessible route.
- Cannot carry more than one (1) minor passenger that is NOT a relative when driving without adult supervision. A relative means someone that is your brother, sister, step-brother, step-sister, or another minor living in your household.

You need to understand the Minor School License is subject to suspension or revocation.

I suggest that you thoroughly review the Iowa Department of Transportation's Website and discuss as a family the specific rules and regulations, <http://www.iowadot.gov/mvd/ods/msl.htm>.

If you have any questions do not hesitate to contact the Iowa Department of Transportation. Stay safe driving!

Sincerely,

Dr. Susie Meade
