

## Preschool Transportation Policy

- ★ Children qualifying for preschool tuition scholarships (at or below 200% poverty), may ride the appointed public transportation for free or a reduced rate. Any family over 200% of poverty may have the application reviewed on an individual basis (Contact the preschool enrichment coordinator at 515-971-2977 or valc@iastate.edu to see if the child qualifies for preschool tuition scholarships).
- ★ Preschool transportation scholarships are limited and are a first come first serve basis. Additionally, transportation may be limited by the transportation provider.
- ★ Use of other government funded programs - Does not meet the eligibility requirements for any other preschool programs, (i.e. statewide voluntary preschool, Shared Visions, Head Start)
- ★ Families that do not qualify for tuition scholarships may be charged a fee to ride the bus.
- ★ Students must reside in Adair, Dallas, Madison, and Warren Counties.
- ★ Services are provided in the communities of Adel, Greenfield, Indianola, Perry and Winterset. Beyond city limits based on availability. Maximum \$4.00 a day or 3 miles.
- ★ Parents must supply alternate drop off site/and backup phone numbers, if an emergency would arise.

- ★ Applications for parents will be given to child care providers/preschools to distribute. Parents will return completed applications to their chosen provider.
- ★ After three no call no shows in a row the child will be removed from the permanent transportation schedule, and the parent will have to call to request to be added back on if space permits and will be responsible to pay the amount owed for the no call/no shows before being placed back on the list.
